

Osteology of the Orbit

1. Frontal bone
2. Lesser wing of the sphenoid
3. Greater wing of the sphenoid
4. Zygomatic bone
5. Maxillary bone
6. Palatine bone
7. Lacrimal bone
8. Ethmoid bone

Right orbit: frontal and slightly lateral view

Bones creating the orbital margin include:

- Frontal
- Zygomatic
- Maxilla

Walls of the Orbit

Superior	Frontal (orbital plate) Lesser wing of sphenoid
Inferior	Maxilla Zygomatic Palatine (orbital process)
Medial	Ethmoid (lamina papyracea) Lacrimal Sphenoid Maxilla
Lateral	Zygomatic Greater wing of sphenoid
